

# CADAVER WORKSHOP IN LYMPHATIC MICROSURGERY

Anatomy, diagnosis, pre-operative mapping  
and surgical techniques in human cadaver model  
**Alicante, 23 - 24 September 2026**

## FACULTY

- E. I. Chang (*USA*)
- J.P. Hong (*Korea*)
- J. Masià (*Spain*)
- G. Pons (*Spain*)
- S. Suominen (*Finland*)
- T. Yamamoto (*Japan*)

- 
- ONE FULL BODY CADAVER EVERY TWO STUDENTS
  - REAL PATIENT APPROACH

# COURSE STRUCTURE AND PROGRAMME

TWO-DAYS INTENSIVE COURSE FOCUSED ON LYMPHATIC MICROSURGERY INCLUDING  
OVER 15 HOURS OF PRACTICAL TRAINING FRESH CADAVERIC MATERIAL WITH ONLY 2  
DISSECTING PARTICIPANTS PER OPERATING TABLE

# WEDNESDAY, 23 SEPTEMBER 2026

---

## 08.30 - 10.00 h **SESSION 1: BASICS OF LYMPHATIC SYSTEM**

- What we expect of lymphatic microsurgery in cadaver. *J. Masià*
- History of lymphedema surgical treatment. *E. I. Chang*
- Anatomy and physiopathology of the lymphatic system: what we know up to now. *JP. Hong*
- The Lymphosome concept: understanding the lymphatic tissue transfer approach. *J. Masià*

## 10.00 - 10.15 h COFFEE BREAK

## 10.15 - 10.45 h **SESSION 2: INDICATIONS AND STEP-BY-STEP SURGICAL TECHNIQUE**

- SCIP vascularized lymph node flap *JP. Hong*
- Vascularized lymph node flap from deep inferior epigastric vessels with DIEP Flap. *E. I. Chang*

## 10.45 - 14.00 h **Faculty demonstration and HANDS ON SESSION**

## 14.00 - 15.00 h LUNCH BREAK

## 15.00 - 15.30 h **SESSION 3: INDICATIONS AND STEP-BY-STEP SURGICAL TECHNIQUE**

- Submental lymph-node transfer. *T. Yamamoto*
- Supraclavicular lymph node transfer. *E. I. Chang*

## 15.30 - 18.30 h **Faculty demonstration and HANDS ON SESSION**

# THURSDAY, 24 SEPTEMBER 2026

08.30 - 9.45 h

## SESSION 4: INDICATIONS AND STEP-BY-STEP SURGICAL TECHNIQUE

- Omental and mesenteric lymph node transfer. *E. I. Chang*
- The LIFT concept. *T. Yamamoto*
- The Lymphatic Surgical approach to the brain disease. *JP. Hong*
- Reverse mapping in lymph node transfer. *P. Neligan*
- Axillary approach and lateral thoracic lymph node transfer. *J. Masià*

9.45 - 10.00 h

COFFEE BREAK

10.00 - 13.00 h

Faculty demonstration and HANDS ON SESSION

13.00 - 14.00 h

LUNCH BREAK

14.00 - 15:00 h

## SESSION 5: INDICATIONS AND STEP-BY-STEP SURGICAL TECHNIQUE

- Recipient vessels for lymph node transfer in upper limb. *E. I. C*
- Recipient vessels for lymph node transfer in lower limb. *J.P. Hong*
- Complications in lymph node transfer: how to avoid and solve. *All Faculty*
- Postoperative management of Lymphatic tissue transfer. *All Faculty*

15.00 - 18.00 h

Faculty demonstration and HANDS ON SESSION
